Charter IFMR POLSKA and first international tour

Dear fellow Rotarians

We invite you to join the charter celebration of the new IFMR Chapter POLSKA and the first international ride.

Tomasz Wiszniewski is organizing the charter tour from May 17th to 20th in Masuria – a wonderful landscape in the North-East of Poland.

We will stay in the Pensjonat Romanowski, Kolno (<https://goo.gl/maps/7yPyyoWWPz42>).

Day trips of up to 200km will introduce this area with its natural beauty and fascinating history to you. More details are given later, but we can disclose that we will visit the “Wolf's Lair” headquarters and also “ride” on water.

Jörn and I are already in love with Poland and its great people for a long time and we are delighted as AGS members to help with the organization and the charter preparations.

Jörn is offering to ride together to the charter for those coming via Berlin:

- 16.05.2018 around lunch time departure from Szczecin and overnight stay in cozy Bydgoszcz (220km)
- 17.05.2018 ride to Kolno (<https://pensjonat.romanowski.pl/> - appr. 280km)

This ride will bring already together Poles, Germans and Lithuanians and we hope for more IFMR Chapters and Rotarian riders to join us.

Don't worry about any language barrier – most Polish people speak English and during the tour all information will be given in English in addition to Polish.

Please be assured from our experience that hospitality is a Polish tradition and that Poles party second to none

We look forward to celebrate this Charter together with you!

Please register your participation interest via e-mail to:

We would ask you, to tell us when you plan to arrive and if you want to join Jörns pre-ride?

See you or „Do zobaczenia” in Masuria in May
